2006 JULY INTERPRETIVE CALENDAR

MASSASOIT STATE PARK

Description of Programs:

Nature Walk - Discover the natural world of Massasoit State Park by using our binoculars, hand lenses, field or pond nets, and field guides. Each week we will explore a different topic. Meet at the Interpretive Center.

Pond Exploration – Wear your water shoes and prepare to get wet as we explore the many creatures that live in and around Middle Pond! Meet at the Bathhouse next to the Middle Pond Campers' Beach.

Junior Ranger Program – Come by the Interpretive Center to learn how to become an official Massachusetts Junior Ranger! You will receive your Massachusetts Junior Ranger Activity Guide and take part in some fun activities with the Park Interpreter. Finish the requirements at home, here at Massasoit State Park or at another State Park and you will be awarded with an official Massachusetts Junior Ranger patch and certificate!

Night Walk – No flashlights allowed on this exciting walk through the woods at night! Be prepared to learn about the creatures of the night and how they use their senses to survive in the dark. Meet at the Interpretive Center.

Family Campfire – Join Interpreter Jodie for a fun family campfire. We will roast marshmallows, tell stories, play games, and enjoy a crackling campfire. Meet at the Interpretive Center.
